Privacy Commissioner publishes case notes 1-7 for 2007

Monday, 28 May 2007

The Federal Privacy Commissioner, Karen Curtis, has released seven new case notes covering a range of different privacy issues and topics.

The Privacy Commissioner publishes case notes of finalised complaints that are considered to be of interest to the general public. Most cases chosen for inclusion in case notes involve interpretation of the Privacy Act or associated legislation in new circumstances, illustrate systemic issues, or illustrate the application of the law to a particular industry or subject area.
